7. Proposed place of use See (Attachment 1)

Describe by legal subdivisions. If for irrigation state number of acres to be irrigated.

8. Existing place of use within sections 17, 18, 19, 20, 29 & 30 of T.10N., R.44E., M.D.B.&M., (portions

Describe by legal subdivisions. If permit is for irrigation, state number of acres irrigated. If changing place of use and/or manner

unsurveyed) and in Sections 13, 23, 24, 25, & 26 of T.10N., R.43E., M.D.B.&M.

of use of irrigation permit, describe acreage to be removed from irrigation.

9. Use will be from January 01 to December 31 of each year.
Month and Day Month and Day10. Use permitted from January 01 to December 31 of each year.
Month and Day Month and Day11. Description of proposed works. (Under the provision of NRS 535.010 you may be required to submit plans and specifications of your diversion or storage works Water seepage will be collected via a drainage system into a sump associated with installation of horizontal drains in the east highwall of pit at 5380 elev. Sump will be pumped through pipe directly and/or comingled with dewatering water for mining and milling processes.

State manner in which water is to be diverted, i.e. diversion structure, ditches, pipes and flumes or drilled well, pump and motor, etc.

12. Estimated cost of works \$415,000 (horizontal drain installation)13. Estimated time required to construct works 3 months

If well completed, describe well.

14. Estimated time required to complete the application of water to beneficial use Temporary Right

15. Remarks: For use other than irrigation or stock watering, state number and type of units to be served or annual consumptive use.

This sump will serve to collect water that will drain from behind a highwall subject to installation of horizontal drains to help maintain highwall stability. The water developed will either be co-mingled with other water rights held by the applicant or pumped directly and will be primarily utilized in the mining and milling processes, including associated reclamation activities.By Clay Self
